

CHRIST LUTHERAN CHURCH

Proclaim. Serve. Invite.

March 18, 2019,

Grace to you and peace from God our Father and the Lord Jesus Christ.

We, God's people across the globe, are living through challenging times. Things are continuously changing as we navigate how to be a nourishing and faithful Christian community in the midst of the COVID-19 pandemic. The Church's call is to think first of our most physically, spiritually, and socially, vulnerable neighbors.

We will continue to find new ways to build up our life together as we persevere in faith. During this time, we will live-stream our Sunday worship service on Facebook beginning at 11:00 am. Each Sunday service will be available for one week to view on our YouTube channel.

We will encourage you to pray for one another and identify any needs that can be met by our collective generosity. As we continue to hold each of you in prayer, the leaders of Christ Lutheran Church ask for your prayers as well. There are many uncertainties and we are doing our best to follow God's call to love all our neighbors. But the one certainty is that Jesus is still Lord. We believe and trust in the renewal of creation, the endurance of the Church, and the life that comes after death.

May the peace of Christ surround you now and always,
Christ Lutheran Church
