

CCNS Welcomes Susanna Twigg as Director/Teacher!

Christ Church Nursery School is pleased to introduce Susanna Twigg as the new Director/Teacher for the 2021-2022 school year. Susanna is truly an advocate for early childhood education, having worked in the field as both teacher and center director for over 20 years.

Susanna began her career as a teacher in a Head Start school. As Center Director at the YMCA Preschool at UMBC, Susanna led a successful MSDE accreditation process. Her most recent position was as Technical Assistance Coordinator and Infant/Toddler Specialist for the Baltimore County Resource Center for Early Childhood Education, where she educated teachers, directors, and parents in child development, behavior issues, and how to instill in children a love of learning.

Susanna graduated from St. Mary's College of Maryland with a bachelor's degree in English and received an associate degree from the Community College of Baltimore County. She has the MSDE 90-hour Early Childhood Education certification and the 45-hour Infant/Toddler Certification. She is also First Aid and CPR certified and holds certifications in Emergency and Disaster Preparation, Health and Safety for Young Children, and Medication Administration. She has completed the Child Care Administration Course for Directors and has obtained the MSDE Child Care Credential Level 5.

Susanna believes that the learning environment should build self-esteem and promote exploration and discovery through hands-on, teacher-led, and independent investigation activities. At CCNS, Susanna will create a welcoming educational space where children practice treating others with respect and kindness.

Please note: A teacher and/or teacher's aide will be added to the staff as required to meet our enrolled student numbers prior to the September start date.
